

Excellence in Financial and Program Management

# GSA OASIS SMALL BUSINESS FACT SHEET POOL 2

**Catapult** is a GSA OASIS SB Prime contract holder in Pool 2. OASIS Small Business (SB) is a multiple award, Indefinite Delivery Indefinite Quantity (IDIQ) contract that provides flexible and innovative solutions for complex professional services. These contracts span many areas of expertise, mission spaces, and multiple professional service disciplines. OASIS SB allows flexibility for all contract types, including hybrids and cost-reimbursement, at the task order level. Ancillary support components, commonly referred to as Other Direct Costs (ODC), at the task order level are also allowed under OASIS SB. The core disciplines of the contract include program management services, management consulting services, logistics services, engineering services, scientific services, and financial services. With geographically dispersed expert staff, we leverage our core capabilities in data analytics, finance, and technology to enable our clients to acquire professional services more efficiently and in a cost effective manner all across the country. **Catapult's** OASIS SB Prime contract offers proven success in delivering professional services to Federal Government clients.

### What is GSA OASIS SB?
